Sof Foods Establishes New Distribution Center in Atlanta, Georgia Area

Toledo, OH - Antonio Sofo & Son Importing Co. (Sof Foods), one of the largest ethnic food distributors in the Midwest, announced that they have established a food service warehouse and distribution operation in the greater Atlanta, Georgia area. Operating through its subsidiary as Sof Foods of Georgia, LLC, the new center will service the food distribution needs of the South Eastern United States.

Sof Foods is an independent, family-owned and operated foodservice distribution company based out of Toledo, Ohio. They have additional locations in New Albany, Indiana and are the operating manager for Bellissimo Foods of Texas, which is located in the Houston area. For over 50 years Sof Food's has been distributing high quality food products to restaurants all over the Midwest. With the addition of Sof Foods of Georgia, LLC they now service 15 states which include Ohio, Michigan, Kentucky, Indiana, Illinois, West Virginia, Tennessee, Missouri, South Carolina, North Carolina, Georgia, Florida, Pennsylvania, Louisiana and Texas. Sof Foods has built a reputation of honesty and integrity among customers and vendors in the wholesale food

service industry. It is their intention to continue this tradition as they embark on this new and exciting endeavor of meeting the foodservice needs of the South Eastern United States.
